

Your invitation to IWM's Autumn Open-House!

QUESTION – Do you manufacture Staircases?

QUESTION – Do you wish to make more profit?

If your answer is YES then please join us for a working demonstration on how to make staircases more easily in less time and with increased profitability

IWM are the UK's leading independent supplier of machines for the Timber industry and in conjunction with POUWELS, the well established and most innovative Belgium machine manufacture, we would like you to view our working demonstration.....
